

# Event & Meeting Space Rentals

Need a space for your next meeting, workshop, or conference? Look no further than The Collider.

The Collider is a global center for climate entrepreneurship and innovation. Located in the heart of downtown Climate City, Asheville, NC, The Collider is a one of a kind cowork, education, and event facility. We offer short-term rentals for groups and individuals, from meeting rooms for small gatherings to our high-tech theater with flexible space for lectures, seminars, and presentations. The Collider is fully equipped with world-class connectivity, offering the capacity to live-stream meetings, attend virtual conferences, and deliver state of the art presentations.
